

Welcome to the third edition of Yotes Weekly, your source of all things Monarch HS Baseball during the spring season. Each Monday we will highlight our players, highlight the program, and provide a detailed look at the week ahead. Here's what you can expect each week:

Senior Spotlights

As we get into the season, we'll highlight our seniors and their future plans and past accomplishments.

#MoHiGuy POTW

The coaching staff is always looking for guys going above and beyond. Every week we pick one player from each team who is setting the tone in one of our MoHi Guy ways:

Maximizing – making the most of every day

Opportunist – Finding ways to get it done

Humble + Hungry – Humility and a desire for improvement

IQ – Being a heads-up player on the field

Grinder – Guys who are showing up every day to put in hard work

Undeterred – Continuing to get after it, not allowing failure on the field to overtake

Yardwork – Guys who are investing in their game and their team

Dudes of the week

New for this season will be a highlight of guys who had a big week on the field. It may be dominant innings on the bump, big time hits, or putting together some great defensive plays.

Items of note:

MaxPreps

Schedule for the varsity team is posted on MaxPreps and it's a great place to check in for any reschedules that may arise throughout the season.

GameChanger

All three teams are set up in GameChanger:

Monarch Varsity Coyotes

Monarch JV Coyotes

Monarch Freshman Coyotes

As the season gets rolling along it's another great place to keep up to speed with the schedule. Additionally, there will be a need on each team to have at least one, if not two, dedicated scorers who can score each game through GameChanger.

TeamSnap

Once rosters get set each family will get an invite to join their specific team's TeamSnap for speedy communication and schedule alerts.

Today is an exciting day as we kick off the first day of our tryouts and the spring season. Below you can find the format for the week that we will be following. This week we will gather 4:00-4:15 in centerfield prior to starting so that each player is accounted for, we can review the day’s schedule, and make any necessary announcements. Tryouts will run through Thursday at which point we will break out into rosters on Friday. I anticipate that our rosters on Friday will be split into two groups, Freshmen and a Varsity/JV combo. The coaching staff will use Friday and Saturday as two additional days to finalize the Varsity and JV rosters. However, as I remind our players frequently, every day is an evaluation. If a player feels like they’ve been misplaced they have the opportunity to show it on the field.

My message for every player at the start of tryouts: Go out there and let it fly with your best stuff. You’ll feel a whole lot better at the end of the process knowing you weren’t holding anything back.

Best of luck to all of our guys this week. Here’s to a great 2026 spring, the 28th season of Monarch Baseball.
