What is your greatest Monarch baseball memory?

What advice would you give to the underclassmen?

"Keep working hard and do everything you can to improve every day. When your opportunity comes, be ready to show what you can do."

What the coaches have to say about Kaden:

"I have really enjoyed being around Kaden the last four years and I can always count on seeing him smile--so appreciated! He has worked hard to continuously improve and I know he'll take this work ethic to whatever successful chapter is next for him in his journey." – Coach Atkin

"Kaden is truly a great young man and teammate. He's always respectful to his coaches and opponents. He works hard and it has been a joy watching him this year. We will all remember his 2 HR game against Longmont for a very long time." – Coach Webb

"It's been awesome watching Kaden grow as a player over the year. No matter what's going on he always has a smile on his face and brings the positive energy." – Coach White

"To echo Coach Atkin, I enjoy being around Kaden on the field every day. He comes down with a smile on his face, always greets us all, and goes about his business like a professional. He's been a solid teammate for the past four years and will end up being a great contributor wherever his journey takes him." – Coach Thompson

Kaden Costello

"Kaden has been working so hard these past few weeks and has had an opportunity to get more time on the field. He has done nothing but make the most of it and it'll be tough keeping him out of the lineup with how he's playing."

Jax DiCarlo

"Jax DiCarlo has settled in at the plate over the past few weeks. He had a solid day against Longmont going 2 for 2 with 2 runs scored and 2 RBIs."

Freshman #MoHiGuy POTW
Henry Wahlers

"Henry continues to be a reliable presence on the mound and did an awesome job versus Centaurus last week in pitching three shut-down innings to keep the team in the game. His positive "can-do" attitude in games is something I greatly appreciate and I look forward to the fun and great attitude he brings to practice each day."
