

The Senior Spotlight for the first week of May goes to Bryson Venne. Bryson came to Monarch last season and made an immediate impact on the program with his upbeat energy, positive attitude, and competitive fire. He is a welcomed addition to the program and is going to leave behind a lasting legacy.

What are your plans for next year:

"My plan is to compete at the next level in Arizona, give it everything I've got, and live out my dream of playing college baseball."

What is your greatest Monarch baseball memory?

"I've had a lot of great memories over the past two years—they've been a blast. If I had to pick, I'd say walking off Legacy last year or getting the opportunity to go to Arizona this year."

Yotes Baseball

What are your goals for the remainder of the '26 season?

"My goal from the start was to make the playoffs. We're cutting it close, but I'm hoping we can get there and finish the season strong."

What is the best part about playing for Monarch?

"The level of competition. Going from 3A to 5A baseball is a big jump, but I love competing against the best—it pushes you and makes you a better player."

What advice would you give to the underclassmen?

"Enjoy it and soak everything in. These years go by fast—the last two flew by for me. Appreciate every moment, the good and the bad, and just have fun playing the game you love."

What the coaches have to say about Bryson:

"It has been great to be around Bryson and see his development as a player and leader. His passion for the game is clearly evident in how hard he plays and the respect he shows to his coaches. His work ethic should be a model for other players!" – Coach Atkin

"Bryson has a great motor and truly wants to do anything to help the team win. Whether he's on the bump, playing short, third, or digging into the batter's box, you know you are getting his best." – Coach Webb

"Bryson always keeps his head down and always works super hard. He's willing to push himself and his teammates do be better. He's an easy guy to root for." – Coach White

"Bryson has really stepped up into a leadership role on the varsity team. His words and actions have trickled down to the JV guys around him at practice. He brings a competitive approach daily and has been a great player on the field, in the dugout, and in everything we've done as a team. He's a solid kid with a great head on his shoulders." – Coach Thompson

Varsity #MoHiGuy POTW
Marek Maciszewski

“Marek has had an up and down season. He’s experienced some highs and some lows defensively and on the mound. But he’s never once taken a step backward, never once shied away from another opportunity to make a play. Every day in practice he’s pushing himself forward and competing against the game to become a better player.”

JV #MoHiGuy POTW
Brody Buggle

“Brody had a great week throwing 4.2 innings giving up just one run to shut down the Horizon offense. He also went 1x3 at the dish with a triple and a run scored to start a four run rally.”

Freshman #MoHiGuy POTW
Max Lehman

“Max has really helped the team by enthusiastically playing multiple positions and coming ready to play every game with a high-level of engagement regardless of what is needed from him to do that day. Beyond that, he has really emerged as a team leader, which is invaluable to the coaches in helping to reinforce the defensive schemes and provide a positive energy on the field.”

Dude of the week
Brendan Radder

Brendan went 9.1 innings on the mound – Tuesday and Saturday combined – and gave up 6 hits, 2 earned runs, struck out 5 and walked 1, and secured the win against Denver North. At the plate he was 3x6, drew 3 walks, and picked up a big RBI in the win Saturday.

Coors Field Day

Monday was a fantastic day and amazing experience for all of our guys. It's always one of the best days of the season as the guys get to experience the Big League life going through the clubhouse, hanging out in the dugouts, and getting the chance to play on the same field where the best of the best in the game play.
