

Our Senior Spotlight for the week goes to Logan Uhlenhake. Logan is in his second season on the varsity team and has been contributing on the mound, at the plate, and at first base. He's been a big part of the Monarch football team as well as an all-conference lineman.

What are your plans for next year:

"Currently my plans for next year are to attend a 4 year college. As of right now I am looking at CU and Colorado Mines."

What is your greatest Monarch baseball memory?

"My Greatest Monarch baseball memory would be in my sophomore year after I got pulled up to JV, and the first game I played in, Nick Dunne hit a homerun over left center, and right afterwards I smoked one to center field, and hit the top of the wall."

What are your goals for the remainder of the '26 season?

"My goals for the remainder of the season are to..."

- Finish the Season and make it to playoffs
- Hit a homerun on a monarch team
- Pitch an entire game
- Bring up my teammates, and create a good team mindset"

What is the best part about playing for Monarch?

"The best part about playing monarch baseball would be getting to show up to the field everyday with my teammates and getting to compete alongside them in the game I love."

What advice would you give to the underclassmen?

"My advice to the underclassmen would be to make sure you work on your swing. In the game of baseball, even with the best defense in the world you can't win games unless you put runs across the board. And so I would say get as many reps in as you can, whether it's with your dad, your coaches, or your best friend get your swing down. One other thing would be to make sure to maintain grades, and get good sleep."

What the coaches have to say about Logan:

"I have always appreciated Logan's respectful nature around the field. He's got a great head on his shoulders and I am happy to see him have success within the game." – Coach Atkin

"It has been a joy seeing Logan grow as a baseball player these last four years. He is constantly working to get better on the field." – Coach Webb

"Watching him become a confident baseball player and young man has been great to see. He works hard and always does what's best for the team." – Coach White

"He's a great kid and it's been fun to watch him develop on the field. Last year when he came with us to Arizona he did a great job making the most of his opportunity in the last game. His performance earned himself a varsity spot for the remainder of the season. He's been fun to watch and I have enjoyed being around him on the field." – Coach Thompson

Blake Thompson

“Blake’s leadership on the field has really stepped up in recent weeks. He’s incredibly vocal on the field, pushing himself and his teammates on a daily basis. On Saturday he led by example on the field by sending the first pitch over the centerfield wall and kept the team engaged throughout the game.”

JV #MoHiGuy POTW
Ryder Duda

“Ryder’s athleticism is a huge asset everywhere on the field but it is his baseball IQ that truly makes him stand out. Also, as a leadoff hitter he sets the tone for our offense. He gets on base and causes chaos.”

Freshman #MoHiGuy POTW
Noah Silverman

“Noah pitched all 5 innings of the 11-0 win vs Legacy and after walking the first two batters he faced in the first inning, went on to strike out 13 of the next 17 batters to close out a dominant no-hit performance.”

Dudes of the week
